

Glastender®

PORTABLE BAR

Features

Glastender offers 24 models in two platforms to suit your service style!

Cup Service
PBC48-12

Includes a storage well for three rows of 4-1/4" cups.

Glass Service
PBG72-12

Includes work surface area with seamless-welded pan, perforated insert, and rack slides for storing (3) 20" x 20" glass racks below.

Durable

- Weather resistant stainless steel construction.
- Stainless steel bar top, front and side panels have a reinforced core for durability and sound deadening.
- Side panels are welded to the 16-gauge stainless steel base for extraordinary durability.

Sanitary

- Ice storage bin for packaged beverages has an easy-empty drain for quick cleanup.
- Cocktail ice bin has a separate drain line to drain tank that prevents contamination of ice used to make cocktails.
- Garnish cup storage compartment includes a stainless steel cover.

Beautiful

- Feathered jewel finish on bar top hides scratches.
- Bar top has hemmed and welded construction to eliminate any sharp edges.
- Stainless steel bottle rail includes clear snap-on liquor identification label cover & sound deadening covers.

Optional: Models available with 36" wide opening to accommodate on-board refrigeration.
