Value Proposition

“Design and fabricate uncompromising facility in modern equipment technology as a long-term timeless setting, that becomes classic from contemporary where time stood still that never ages. Where your space grows stronger over the years. All else ages but this stays with you as new.”

Our Customer

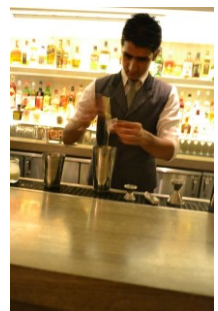

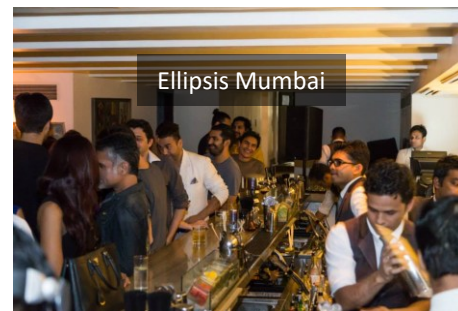

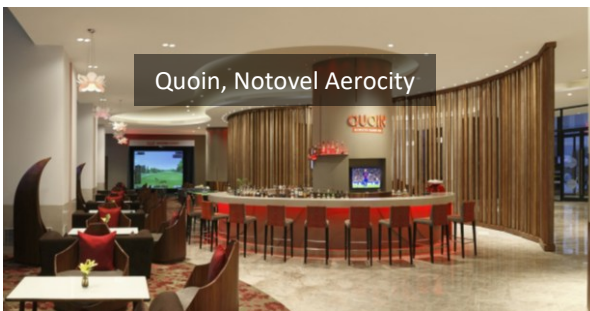

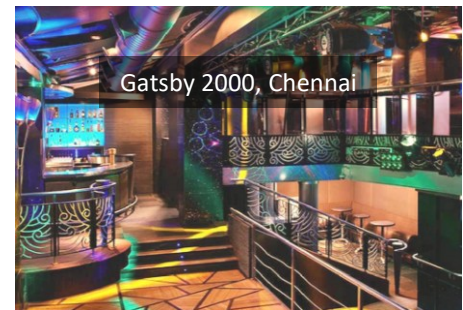

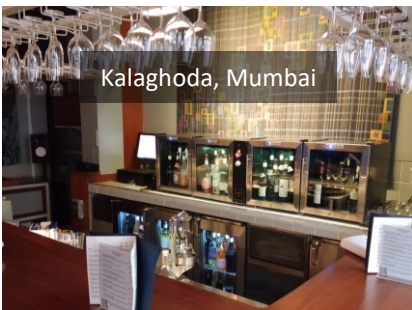

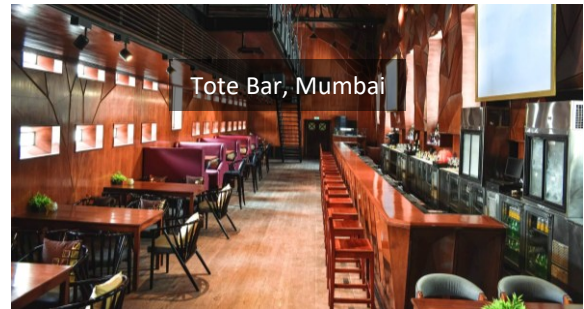

Our services are made specifically for those individuals interested in creating signature spaces by design and character, in which they will live, grow, thrive and get inspired.

Our customer is confident, successful, proven, and sure of their goal. They want a foundation of growth, dependability and reliability. While others come and go, their facilities power their growth from a new idea into a landmark of time.

“This is the second unit that you have installed in two of my hotels. I am extremely delighted by the professionalism shown by you and your team right from the start then we floated the query and till the time you installed the Modular Bar system with remote draft beer and soda system of Glastender. Our custom-built modular bar fits well and compliments our interiors. As always, your after sales service is very responsive and we appreciate this more so because we are based in another country – Sri Lanka.”

Deepak Bali

Consultant at The Blanc Canvas. In capacity of Vice President, Park Hotels.

"The decision to work with Benneta Barscope was partly due to their excellent reputation in the marketplace, I was impressed with how well the project was managed"

Rishad Nathani

Managing Director at Breadbox Hospitality Pvt Ltd. In capacity of Managing Director, Degustibus Hospitality Pvt Ltd (Indigo, Tote Bar)

"When it comes to bar equipment, I don't bother even looking at another vendor anymore and have used Glastender for 2 other restaurant bars we have subsequently opened. The best part of Glastender and more so, Vickram is that his after sales service is fantastic."

Valentine Barboza

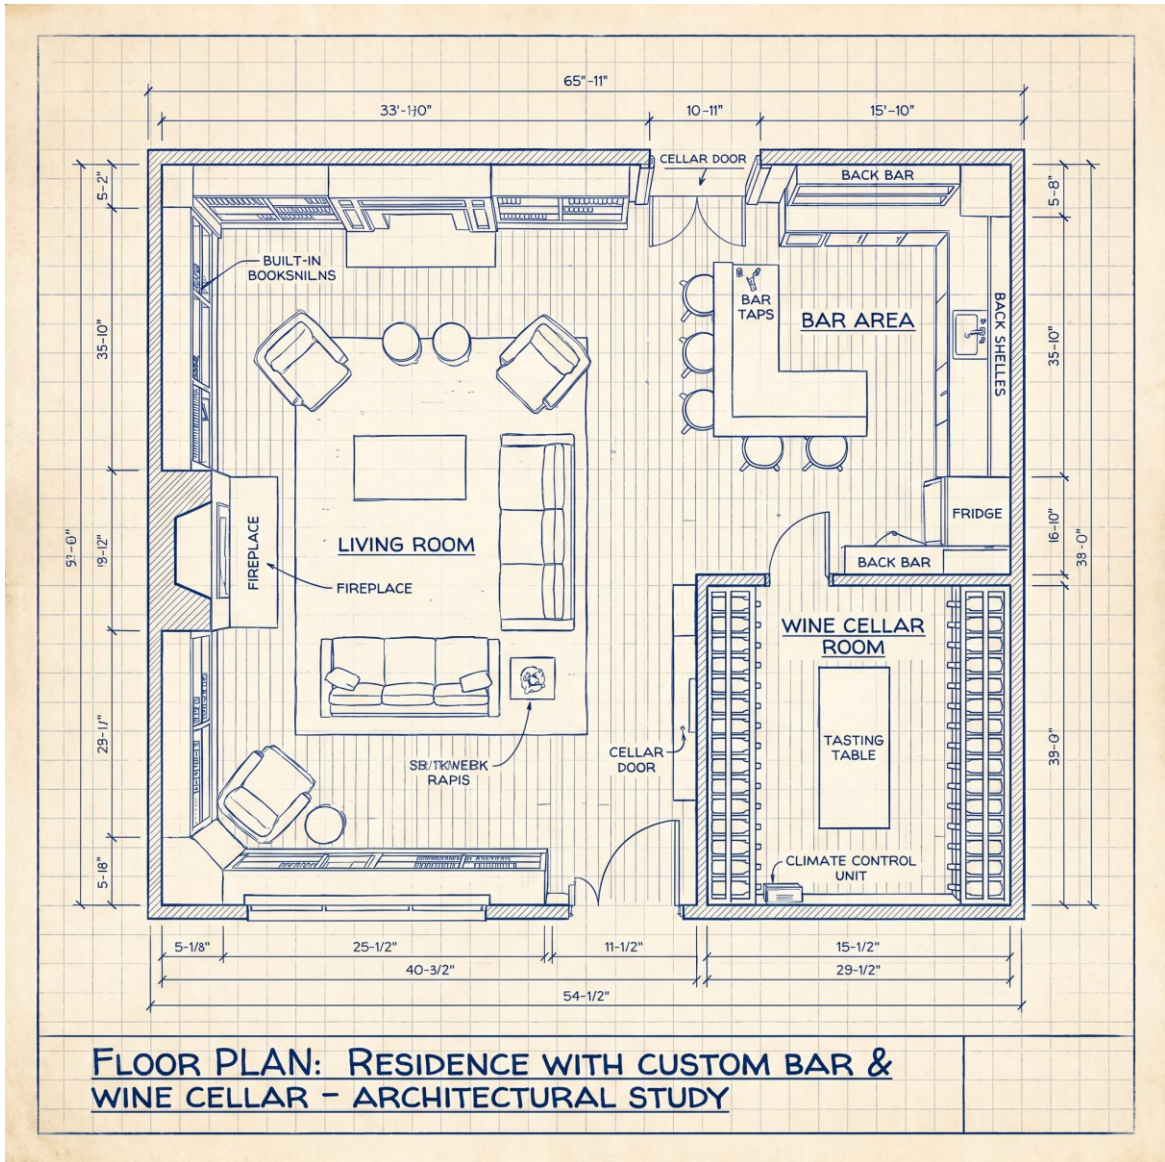

Bar Consultant, Facility Designer & Brand Ambassador Diplomatico Rums.

"I as a bar and cocktail consultant honestly recommend any one who wants a bar to blindly buy Glastender as the quality of the equipment and design is simply outstanding, they customise it according to your needs and bartender user friendly."
